Establishes Policy

The BOARD OF EDUCATION, District #99 plays a major role in maintaining the high quality of education provided by our schools. Mr. Mauritz Gahlon, president, presides over meetings concerning policies, employment, and budget. Dealing in many facets of education, the dedicated and concerned members make sure each student in high school is getting the best possible education.

The members of the Trojan Boosters Club, all parents of Downers Grove students, actively support DGHS-N sports programs. They cheer our teams to victory throughout the year.

Adds Speech Requirement

The ENGLISH Department, under Mrs. Margaret Cantrall, is at its largest this year with seventeen teachers educating two thousand young people. Changes center on the new required semester of Speech at the sophomore level and an elective course in Stagecraft. The department offers a varied program of Honors, College Preparatory, General, and Skills Improvement classes.

The department members act as sponsors for a number of English-related extra-curricular programs: debate, forensics, Dramatics Club, HIGH LIFE, CAULDRON, and Book Club. The department works closely with the Reading Department and the Instructional Materials Center.

Introduces Russian I

The FOREIGN LANGUAGE Department, under the direction of Mr. Frederic Moore, gives students a choice of taking five different major languages. There are classes on five levels in Spanish, German, and French. Latin is taught on two levels, and it is mainly used by students to attain a better understanding of our own language.

Russian on the first level has been added to the curriculum this year. It is considered a very challenging and interesting course.

Each language course makes wide use of filmstrips and the language laboratory. All students learn respective languages by speaking and listening in class.

Emphasizes Experiments

Carrie Leathers, Kathy Hrudika and Gary Giovanni check their findings.

The SCIENCE Department, under Mr. George Eblin, is proud of the educational opportunities provided for students at Downers North. Valuable courses, geared to the abilities and interests of many students, are available. In addition to three levels of Biology, two levels of Physical Science, two levels of Chemistry, and Physics, there are courses in advanced Chemistry, advanced Physics, and an Independent Study Responsibility course called Science Research.

Emphasis is placed on the individual in all science courses, and discovery is stressed. Little time is spent in the "telling" of facts, and much time is devoted to experimentation, which allows each student to derive his own conclusions.

Require Precision

The MATHEMATICS Department, under Mr. Edward Paine, is the second largest academic department in the high school. Although only one credit in math is required for graduation, many students continue in mathematics to fulfill college entrance requirements.

A four year curriculum in math includes algebra, geometry, intermediate algebra, and college algebra and trigonometry. Students who have time for a fifth year in math may follow with calculus or computer programming.

Mathematics, a precise science which demands accuracy and logic, teaches principles which will prove useful to young people in both their personal lives and their future education.

The SOCIAL STUDIES Department, under Mr. Glenn Olney, helps develop students' awareness of the problems of today's world. The required courses, American History and American Problems, promote an understanding of United States History and current events. Both courses utilize visual aids and supplementary texts in order to examine subjects from every point of view.

Other courses include: government, world history, psychology and sociology. These elective courses provide students with valuable information and an introduction to the many fields of work in the Social Sciences.

Students show a wide range of interests in their selection of reading materials.

The BUSINESS EDUCATION Department, under Mr. William Corr, has kept pace with changing business and consumer needs.

The curriculum offers seventeen different courses. Over 300 students are enrolled in typing, the most popular course. Students have an opportunity to train on electric or manual typewriters.

The latest addition is an IBM 029 Printing Key punch. This equipment is being used to train students in office practice, office occupations, and data processing. Students can also learn machine shorthand. Classroom equipment assists students in a better understanding of business concepts and techniques.

With its broad scope of materials, the INSTRUCTIONAL MATERIALS Center plays a vital part in the student's learning. Under Mrs. Virginia Jones, the IMC continues to grow with the constant addition of valuable new books, magazines, and equipment. The face of the library acquired a change this year with the addition of several new study carrels which provide students with greater privacy for concentration. Records, sound filmstrips, a video tape machine, and other kinds of equipment from the audio visual materials center provide a wide range of learning techniques for classroom use.

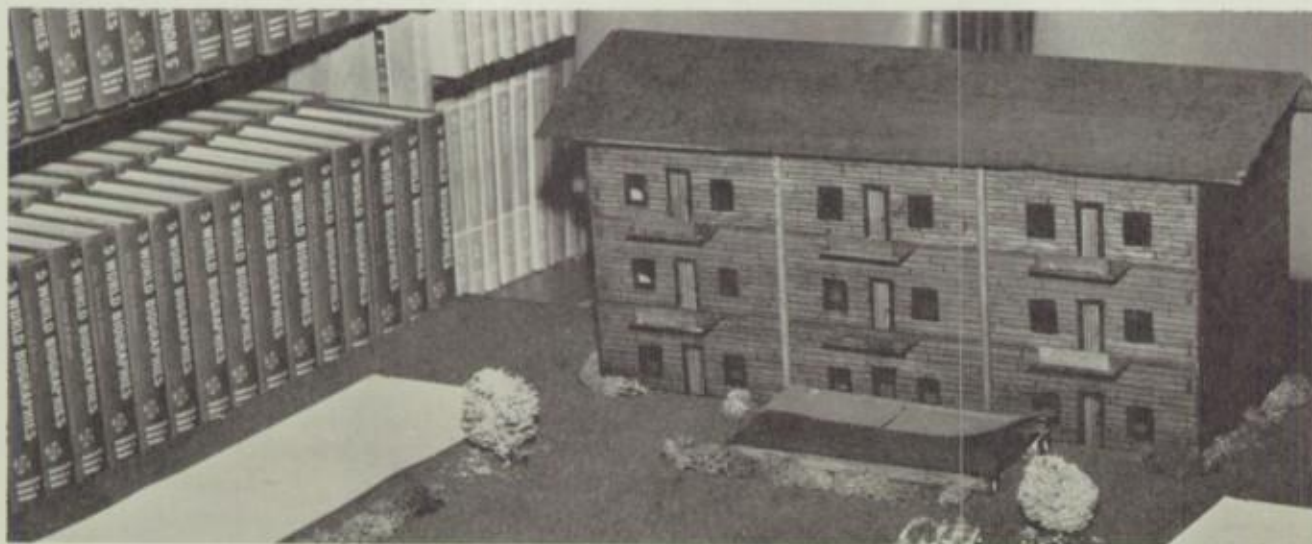

Students may use the IMC during study halls, and many students are involved with independent research projects which require in depth use of the library's facilities.

Travels to the Orient

After months of successful planning and organizing, the 1969 HOMECOMING Steering Committee presented "Magic of the Orient." Sponsored by Mr. Ozzie Starck and Miss Diane Freed and directed by senior co-chairmen Carol Hughs and Helene Paradise, the Homecoming weekend started off with a Thursday night mixer and an all-school assembly on Friday morning at which King Barry Cernoch and Queen Sue Roush and their court were announced and crowned. The court reigned over the traditional Homecoming parade that afternoon as it proceeded along the streets of Downers Grove. Friday evening the mighty Trojans battled to a 21-21 draw with Hinsdale Red Devils. Saturday night the weekend came to a climax as the couples danced to the music of the Seven Seas at the Homecoming dance Shangri-La held in the high school gym.

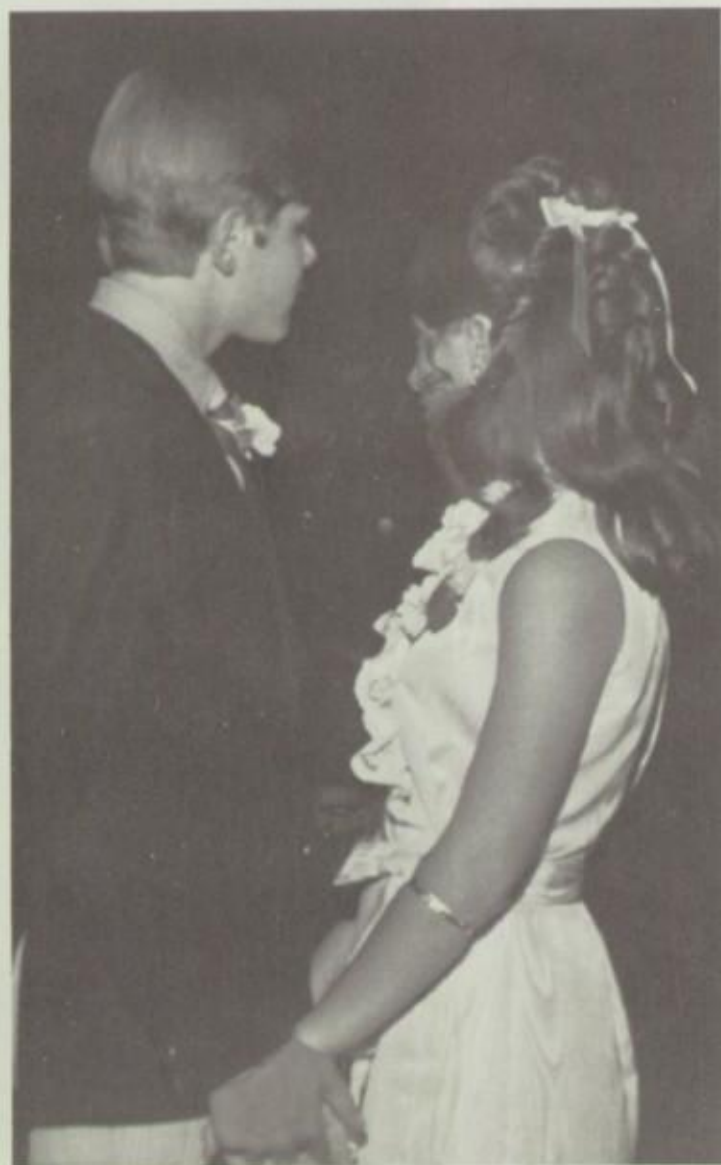

King Barry Cernoch and Queen Sue Roush are honored by students and faculty.

Initiates Change

Students are pleased with the new dress code.

STUDENT COUNCIL, sponsored by Mr. Richard Jontry, is composed of seven representatives from each class, the class presidents, and the elected and appointed officers. The Council opened the year's activities with Trojan Week and followed this up with "Operation Christmas Cheer," a charity drive for canned and packaged goods which made Christmas dinner possible for underprivileged Downers Grove families.

One of the major accomplishments of the Student Council this year was a new ruling geared toward greater student responsibility and freedom. Student Council successfully brought about a change in the dress code.

most happy fella

Is Theatrical Success

In Frank Loesser's musical, "Most Happy Fella," Tony Esposito, an old Italian man from Napa Valley, California, falls in love at first sight with Rosabella, a waitress in a restaurant in San Francisco. Fearful that Rosabella will be repulsed by his age, Tony proposes to her in a letter enclosing a picture of his nephew, Joe, which he claims is a picture of himself. Rosabella, touched by this proposal, goes to Napa Valley to find Tony.

When Rosabella arrives, she sees that Tony is really an old man, and she becomes very upset and disgusted. Joe, seeing Rosabella in this condition, consoles her and persuades her to stay for a while. Under the direction of Mr. Alan Hutchison, HI-Y helped to promote an active, healthy form of athletic recreation for the boys of DGN. On special sports nights the Boys' Gym was available for Hi-Y's use. The club's activities also included selling refreshments at football games and awarding college scholarships to deserving senior members.

D-CLUB, sponsored by Mr. Stephen Oracko, consisted of boys who have earned a letter in varsity sports competition. It helped promote interest in athletics and encouraged good sportsmanship. It sponsored sports nights, parties, and athletic contests.

Promote Enthusiasm

The 1969-1970 CHEERLEADING SQUAD, under the direction of Mrs. Mary Ellen Christy and Miss Carol Kingery, had a very exciting and profitable year. With the leadership of the varsity captain, Sue Roush, and frosh-soph captain, Diane Wendell, they achieved their goals of supporting the athletic program and sparking crowd enthusiasm.

During the winter sports season the varsity cheerleaders initiated a new rotating system that called for six girls to cheer at home wrestling meets.

This spirited squad decorated the field, held pot-lucks for visiting cheerleaders in the conference, and held a spring clinic where next year's cheerleaders were chosen.

The 1969-70 POM PON SQUAD succeeded in attaining two of the squad's main goals: promoting school spirit and entertaining the public. These thirty-four girls, under the direction of Mrs. Marilyn Muehlhauser, performed dance routines at athletic events and pep assemblies. This year the squad worked exclusively with the DGN Marching and Spirit Bands. Their outside activities included a performance at the Proviso West Holiday Basketball Tournament, a day at Northwestern University Band Day, and participation in the Downers Grove 4th of July, Westmont Pow Wow, Downers Grove North Homecoming, and Northwestern University Homecoming Parades. In January, the girls marched for the Downers Grove Chapter of the March of Dimes.

Excite Action

This year, PEP CLUB went all out to become the most active group at Downers North. They completely changed their election process to a point system, making the member with the most points the new chairman of the executive board. To enable the whole school to participate, the election board has representatives from almost every club in the school. Another successful project was to form a cheering section for all football and basketball games.

Another spirit group that had a successful year was the TRACKETTES. With the membership reaching a record number of eighty, the girls are now able to run an entire meet without adult assistance. Next year the group hopes to have uniforms and an officer board.

Stimulate Students

Mr. Richard Carstens, Mr. Steve Oracko, Mr. Rudy Cernoch, and Mr. Clarence Johnson admire the varsity football conference trophy.

School spirit was high this year as students and teachers participated in many pep assemblies featuring the high-school band, cheerleaders, pom pon squad and athletic teams. Coaches introduced athletic teams and gymnastic and wrestling teams gave demonstrations. Varsity football squad was presented with "The Team of the Week" award by WLS and a golden football trophy was presented to the West Suburban Conference champions.

Each class elected a Miss Spirit and a Mr. Spirit to lead the respective classes in competitive cheering. As a conclusion to Trojan Week, the Junior class won the Banner Day award for the most effective, colorful banners hung in the halls to promote school spirit.

Finishes Second

This year's SOPHOMORE FOOTBALL squad fought its way to a second place finish in the tough West Suburban Conference, only one-half game behind the conference champion, Glenbard West. Mr. Bill Walker, and his assistant Mr. Don Moravec, heralded their team as one of the finest sophomore teams in Downers Grove history. The team was led by sophomores Tom Wollney and Mike McCollum. Wollney was the team's captain, leading ground gainer, and high scorer with thirteen touchdowns. McCollum did the quarterbacking and the punting for the sophomore eleven the whole year. Other outstanding sophomore numeral winners are Rick Carstens, Mike Furlong, Paul Peters, Kip Powell, John Stalow, and Keith Wilson.

Display Endurance

"This year's VARSITY CROSS COUNTRY squad is the best I've had in my three years of coaching at Downers," stated Coach Chuck Gosling.

The team was led by Frank Marchese, senior M.V.P., who broke the Downers Grove course record. Marchese also paced his team to a good finish in the District Cross Country meet by taking second place. This year's squad produced nine letter winners, including three junior lettermen, Dan Liberty, Chuck McMaster, and Bob Wilson, who will provide the core of next year's team.

The Frosh-Soph squad, coached by Bruce Ritter, also ran to a seventh place finish.

Outstanding sophomore Gordy Schupmann will be an excellent addition to next year's varsity team.

Features Teamwork

The 1970 VARSITY BASKETBALL team, coached by Mr. Lloyd Wasmer and Mr. Ron Jakes, fought its way to a fourth place finish in the tough West Suburban Conference, posting a conference record of 17-7.

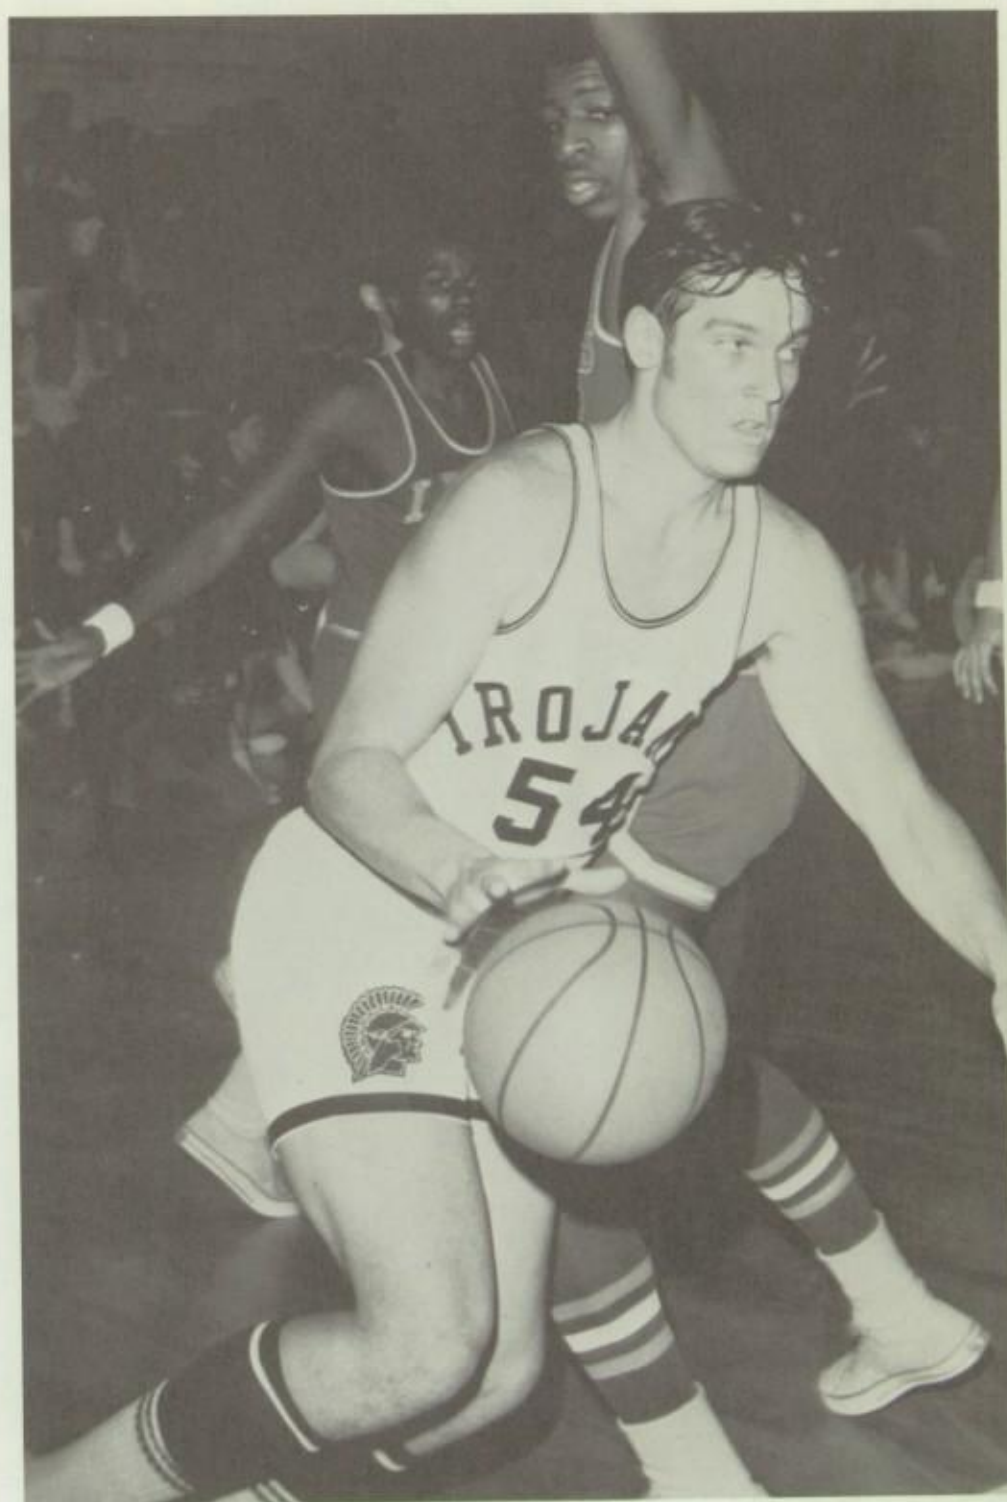

The team was hampered by the loss of senior forward Barry Cernoch who suffered a knee injury and missed most of the season. Gary Wonsowski, the team's 6'7" center, led the team in rebounds and in total points. Wonsowski was honored at the close of the season with the most valuable player award. Other Trojan letter winners included seniors Hal Carlson, John Comforte, Craig Lezatte, Steve Wilson, and Ted Peters. In addition to these seniors are four underclass winners who will join Wonsowski on the 1971 squad.

Gain Maturity

In Mr. John Krueger's first year of coaching at Downers Grove North, he led his SOPHOMORE BASKETBALL team through a rigorous season to a 5-15 overall win-loss record. The team's West Suburban Conference record was 4-10. Although the squad's conference record wasn't good enough to earn them a very high place in the conference standings, it was an improvement over last year's record.

Many of the players turned in excellent performances throughout the season for the Ponies.

One of the outstanding highlights of the Ponies' season was the team's second place finish in the Annual Wheaton North Invitational Basketball Tournament in December.

The squad was undefeated until it lost a showdown match with LaGrange with the conference title at stake. The Trojan grapplers were placed to a close second place finish in the district meet by first-place winners Matt Kendon, Kim Strauss, and Jim Brickman. Kendon went on to place fourth in state competition.

The team had five All-Conference wrestlers; Kendon, Strauss, Brickman, Dave Wolff, and Rich Snyder.

Improves With Age

In its second year in West Suburban Conference competition, the VARSITY SWIMMING team, coached by Mr. Tom Hayek, further developed competent swimmers for future swim teams. Mr. Hayek is in his first year as varsity swimming head coach. The quality of competition the swimmers faced was impressive; the circuit contained state champion Hinsdale Central.

Although the varsity squad was unusually inexperienced, nearly all of its members were juniors and will be returning to next year's team. Thus Coach Hayek will have nearly a full squad of veteran varsity swimmers. A number of able sophomore swimmers will join this year's juniors to form the basis of what should be Downers Grove North's strongest swim team.

Develop Precision

The VARSITY GYMNASTICS team, coached by Gordon Johnson, completed its third season of West Suburban Conference competition. The conference boasted state champion Hinsdale Central and a number of finalists. The Downers Grove corps also contained several excellent gymnasts. Co-captains Tim Moore and Gary Strakshus led the squad throughout the season with fine performances and high scores. Strakshus, a junior, will return to lead next year's varsity team. Other lettermen who added strength and depth to the squad were seniors John Glyman, Curt Blood, and Steve Pfeiffer; and juniors Tom Lalonde and Bill Mahar.

Challenges Opposition

The 1970 VARSITY TRACK team began its season under the new leadership of head coach Paul Seaman and assistant coaches Charles Gosling, Gordon Johnson, and Dan Wenc. Mr. Seaman has coached football and basketball, in addition to track, for sixteen years in Southern Illinois high schools. Although the team had many early injuries, it came back to finish strong in the outdoor season.

The squad featured a number of excellent returning lettermen including miler Frank Marchese, quarter-miler Steve Ellsworth, high jumper Bob Schmidt, and shot-putter Greg Onarato. Ellsworth and Onarato captured first place trophies in the Third Annual Trojan Night Invitational, while Marchese ran to a second place finish.

Gains Experience

The SOPHOMORE TRACK team, also coached by Paul Seaman, set out to earn a high place in the tough West Suburban Conference. Gathering strength as the season progressed, the Ponies ran exceptionally well in major outdoor meets. Several runners contributed to the teams success. Notably among these are sprint-men Tom Wollney, Bill Hartigan, and Kent Moeller; and distance runners Gordy Schupmann and Joe King. Other sophomore high point men are shot putter Scott Norton and jumper George Kallas. Of these, Hartigana and King are freshman and will return to next year's frosh-soph squad. The others, in addition to several more fine sophomore cindermen, will form a suitable addition to the 1971 varsity track squad.

Mr. George Feuerschwenger, in his fifth season as VARSITY BASEBALL head coach, led his team through an excellent season. The team played a total of nineteen games, opening against Hinsdale South April 16 on the American Legion Field. The bulk of the team's strength centered in several returning lettermen, including All-Conference outfielder Pat Connally. In addition to the returning seniors the squad was aided by a number of fine juniors.

The frosh-soph squad, coached by Bruce Johnson, also had a full schedule of nineteen games. The underclass players learned many valuable lessons and will be ready to play varsity ball next spring.

Has Rigorous Schedule

Downers Grove North's VARSITY TENNIS team, coached by Ron Jakes, competed in sixteen matches against area schools. In addition to seven West Suburban Conference matches, the netmen took to the courts against nine tough non-conference schools. The talents of returning lettermen Craig Lezatte, Bill McCandless, Phil Pilson, Ted Peters, and Jeff Love, combined with those of excellent junior netmen dealt the opposition many tough blows.

The frosh-soph squad, coached by Bob Gorshe, plowed its way through twelve matches. Much experience and know-how was gained by the underclass team and it should be a competent addition to next year's varsity team.

Swing Into Spring

The Downers Grove VARSITY GOLF team under the supervision of Mr. Richard Carstens had another good year. The Trojan linksmen did well in the tough area and conference competition. This year's squad had four boys returning from last year's varsity squad. They are Bob Falta, Greg Peterson, and Steve Quaid. In addition to the four seniors, juniors Jack Branta and Bill Gable added depth and quality to the already talented team.

The Sophomore team also under the supervision of Mr. Richard Carstens did well against their conference competition, too. Sophomore Dave Blaida was one of the top frosh-soph individual scorers for the year.

The freshmen made a good start in building their class treasury by sponsoring a mixer and having several bake sales.

Freshman boys wonder what next year will bring.

Class of 1972

The Class of 1972, sponsored by Mr. Denis Costello, engaged in a busy year of extra-curricular activities. The officers met regularly with the sponsor to plan money making projects and make arrangements for participation in all-school functions, such as Homecoming and Banner Day.

In addition to their busy after-school programs, class members maintained high academic averages and assumed various club and organization responsibilities in preparation for positions of leadership in their junior year.

OFFICERS — Jim Woodward, President; Katy Kiggins, Vice President; Pam Kusnierz, Treasurer; Mr. Costello, Sponsor; and Carol Johnson, Secretary (absent from picture).

Class of 1971

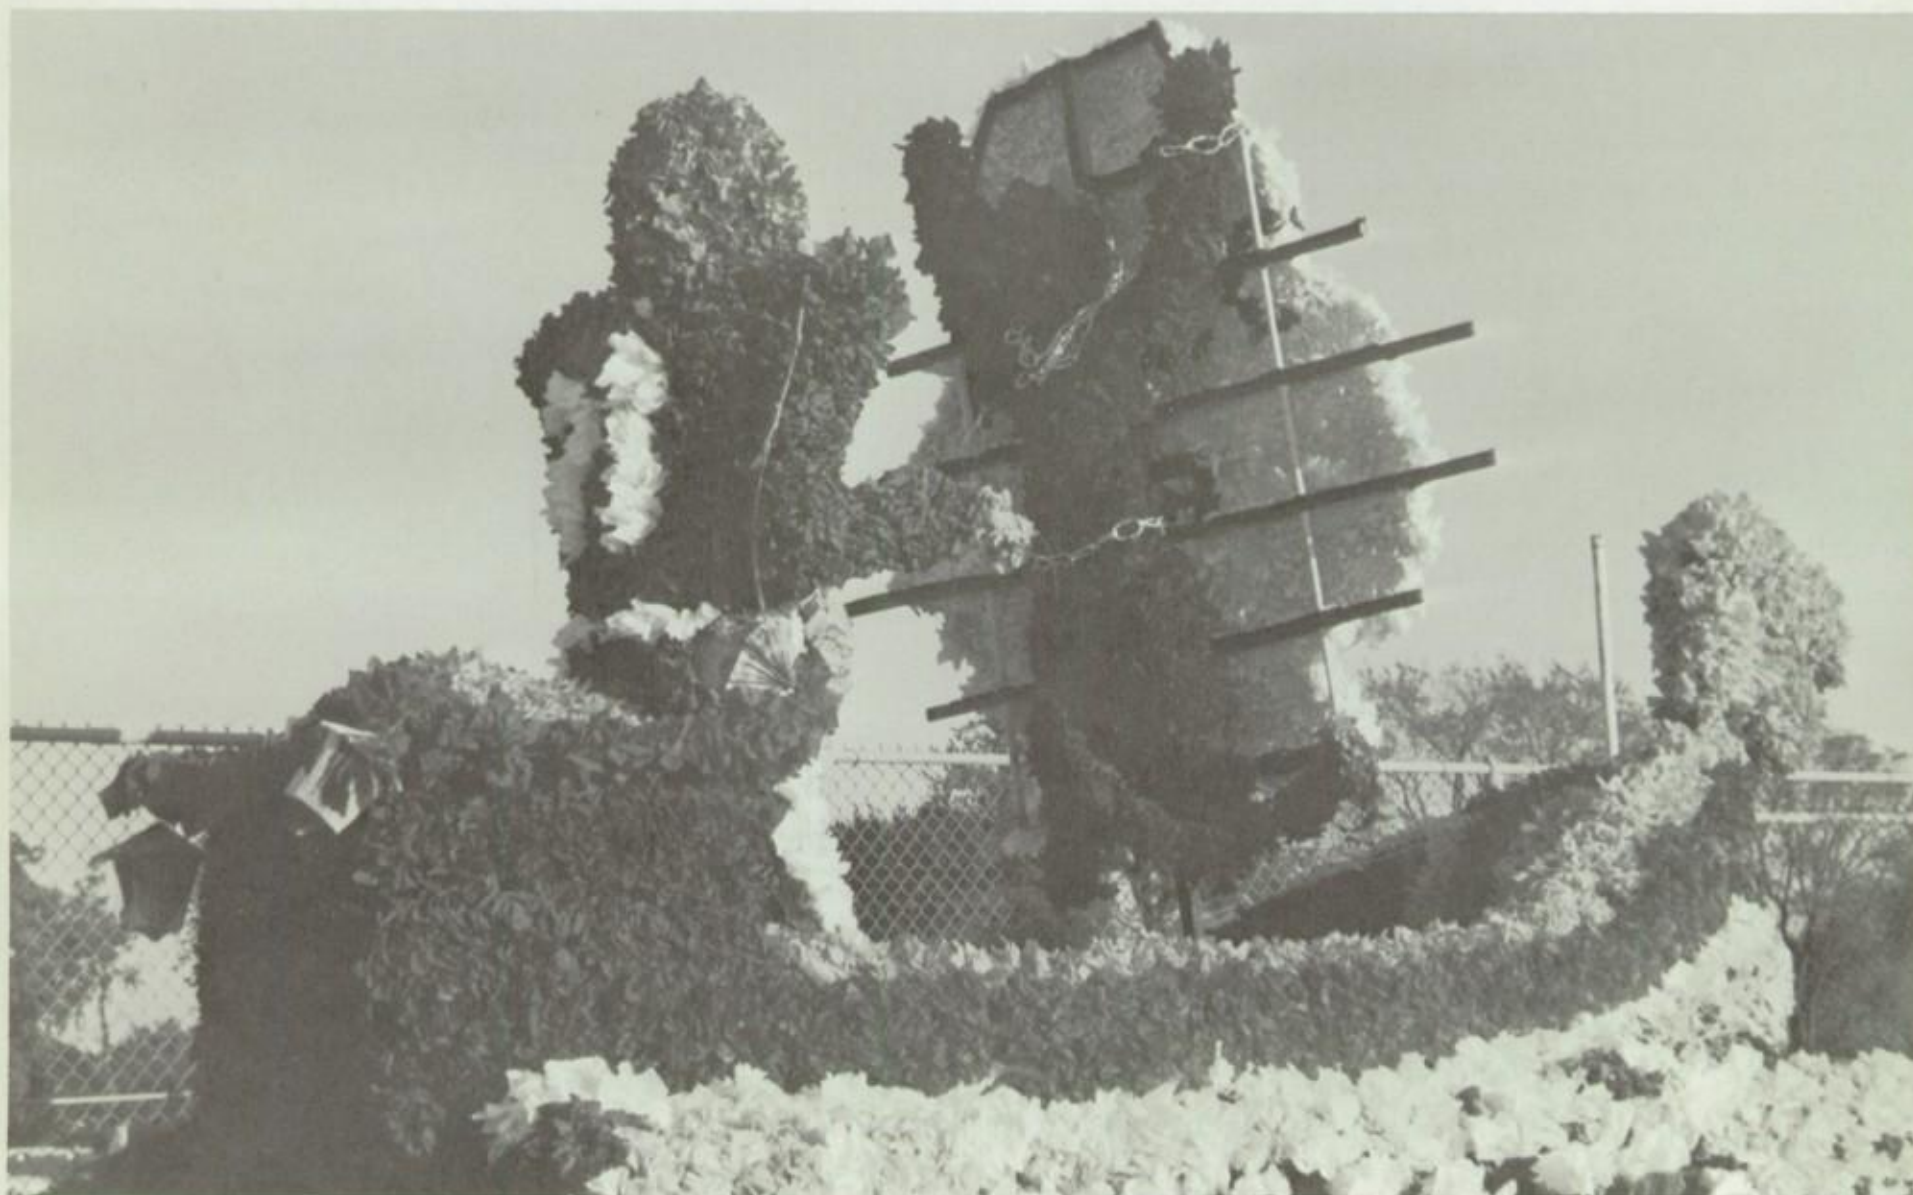

The Class of 1971, sponsored by Mr. Byron Lott, began the school year by placing 1st in the Trojan Week Banner Day. They followed through by building a 2nd place Homecoming float, "We'll Junk 'Em."

During the year the Juniors continued to build their treasury through conducting post-game mixers, selling breakfast doughnuts, and having bake sales.

As individuals, class members were active in clubs and organizations, holding many offices and helping to plan events. They were prominent in the school sports programs, as spectators and as participants.

OFFICERS — Josephine Strawn, Secretary; Rick Ruthhardt, President; Mr. Byron Lott, Sponsor; Jim Knox, Vice-President; Kathy Coultier, Treasurer.

class of 1970

As a new decade began in 1970, so ended the final year for the Senior Class at Downers Grove North. Under the supervision of Mrs. Judith Carithers, the Class of 1970 sponsored bake sales, Trojan mug sales, and the annual Senior Class mixer. At Homecoming, the Class of '70 won the first place trophy when the "DOWNERS dragon" sang "Fire" and paraded down Main Street threatening "Bucket or Burn." Seniors supported school activities by attending pep assemblies and electing their Mr. and Miss Class Spirits.

Seniors achieved academic honors with seventy-five students earning membership to the National Honor Society and seventy named as Illinois State Scholarship Semi-Finalists. The 1970 Prom, held at the Drake Oakbrook, was the highlight of the last year for seniors, only topped by graduation itself.
